

Love-Week's Aftermath

"We're you drunk?" asked Stelly.

"Well, periodically."

"It was just your week of loving everybody."

"Can't get over it! Wince! Cringe!"

"At least you didn't twist all nasty, like some if they do anything nice."

"Too shocked."

"When will we see a replay?" she laughed.

"Never!"

"A balanced approach then?"

"None at all!"

"Won't that get in trouble in the opposite way?"

"Maybe, but I won't shake for a month after."
